

NAMI Family-to-Family is a free, 8-session education program for family, friends and significant others of adults with mental health conditions. NAMI Family-to-Family provides information about anxiety, depressive disorders, schizophrenia, bipolar disorder and other mental health conditions. Other topics covered include communication, problem solving, treatment and recovery.

The course is designed to increase understanding and advocacy skills while helping participants maintain their own well-being. The program is taught by trained family members who have a loved one with a mental health condition. NAMI Family-to-Family is an evidence-based program (EB). For information on the research base for the program, visit **HYPERLINK** "<http://www.nami.org/research>"

NAMI offers the NAMI Family-to-Family Education Program free of charge to participants, beginning **Thursdays, September 7– October 26, 2023- 6:30 to 9:00 PM via Zoom**. For more information and how to register, please contact **NAMI Atlantic/Cape May at 609-741-5125**

Participant Perspectives

"This course overall was the single most, without a doubt, helpful and informative thing ever offered in all my years searching for answers...it has helped me to understand better and communicate more effectively with my brother."

"The course has helped me to realize that my son is still inside the body that is often times hidden by the mental illness and that I am not alone in this."
