

Join a research study to help identify gaps
in services for TBI Survivors

Traumatic Brain Injury Focus Groups

Focus Group Categories:

- TBI Survivors
- Caregivers
- Service Providers

To participate you must be:

- A resident of New Jersey
- Over the age of 18

Potential benefits of this research study are information and prevention tool & learning about the gaps and needs of individuals with TBI.

As a volunteer participant, you will be placed in groups of 5-10 individuals to discuss existing gaps and needs of individuals with TBI for 45-60 minutes.

Locations:

- Clifton Public Library - Allwood Branch
- Plainfield Public Library
- Camden County Public Library

** Participants will receive a \$20 gift card, as compensation for your time.*

Contact Sophie Wilkinson, Research Associate at **775-471-6592** or at swilkinson@bianj.org about interest in joining the focus groups by 10/31/2023.

This study has been approved by Rowan University's IRB (Study# PRO-2022-310)

This project is supported by grant number 90TBSG0052-02-00 from the US Administration for Community Living, Department of Health and Human Services, Washington D.C., 20201.
